

boolean			
AND	AND & [space]	Returns all sets or concepts	p AND q p & q p q
OR	OR	Selects either or all sets or concepts	p OR q p q
NOT	NOT -	excludes a set or concept	p -q p NOT q

word logic			
Adjacency	" "	Terms next to each other in that order. Wildcard allowed, one asterisk one word	"chemical weapons"
Proximity	near:X	Terms next to each other in any order. X=integer	"chemical weapons"

meta data			
Country	loc: location:	Returns results from the specified country	location:DE berlin location:DE -site:DE
Language	language:	Returns results limited by language indicated. See the Coding list for codings.	language:de
Title	intitle:	Returns results with the specified term in the title	intitle:waterloo
Contains	contains:[type]	Returns results holding files of type [type]	battle of waterloo contains:pdf
RSS feed	feed:	Returns RSS feeds holding the specified search term	battle of waterloo contains:pdf
RSS feed	hasfeed:	Returns results that have RSS or ATOM feeds	battle of waterloo contains:pdf
Format	ext:[filetype]	Returns results of type [filetype] only.	waterloo ext:ppt
Anchor	inanchor:	Returns documents with the specified term in the anchor	waterloo inanchor:dutch
Body	inbody:	Returns results with the terms in the body of the document	inbody:conflict
IP	ip:	Returns results hosted at the specified IPv4 address	ip:158.50.210.40
Domain	site:	Returns results from the specified domain or top level domain only. Including directories two levels deep	site:reuser.biz site:reuser.biz/secret/maindocuments/
Index	url:	Checks if the website specified is in Bing's index	url:www.opensourceintelligence.eu

weighted term logic			
Order		Change the order of terms to put the most significant one first to give that term more weight.	china sudan sudan china
Preference	prefer:	Puts more weight on the specified term	china prefer:sudan

shortcuts			
Weather	weather [city]	Returns the weather for the specified city	weather amsterdam
Converter	[unit] in [unit]	Converts one unit to another: lengths, weights, numbers, etc.	100 kilo to lbs 55 euro to gbp
Time	time [city]	Returns the current time in the indicated city	time amsterdam
